1.5 Pediatric Immunization Program

1928 of the Act

1. The State has implemented a program for the distribution of pediatric vaccines to program-registered providers for the immunization of federally vaccine-eligible children in accordance with section 1928 as indicated below.

*1

- a. ~~The State program will provide each vaccine-eligible child with medically appropriate vaccines~~ according to the schedule developed by the Advisory Committee on Immunization Practices and without charge for the vaccines.

- b. The State will outreach and encourage a variety of providers to participate in the program and to administer vaccines in multiple settings, e.g., private health care providers, providers that receive funds under Title V of the Indian Health Care Improvement Act, health programs or facilities operated by Indian tribes, and maintain a list of program-registered providers.

*2

- c. With respect to any population of vaccine-eligible children a substantial portion of whose parents have limited ability to speak the English language, ~~the State will identify~~ program-registered providers who are able to communicate with this vaccine-eligible population in the language and cultural context which is most appropriate.

- d. The State will instruct program-registered providers to determine eligibility in accordance with section 1928(b) and (h) of the Social Security Act.

*3

- e. ~~The State will assure that no program-registered provider will charge more for the administration of the vaccine than the regional maximum established by the Secretary.~~ The State will inform program-registered providers of the maximum fee for the administration of vaccines.

*4

- f. ~~The State will assure that no vaccine-eligible child is denied vaccines~~ because of an inability to pay an administration fee.
